Sainty's Sweet Shop

Historically pubs often sold more than just beer. So in a nod to the past, and ensuring we look after the local community, we have created a small 'tuck shop'. Whether you'd like an alternative to a pudding or just a sweet treat with your drink..... Sainty's is always open.

Ellie Sainty was instrumental creating the Old Fox that people know and love today.

Ask the staff or head up to the bar to pick up your sweet treats.
